Welcome, if you have received our FUN-d-raising brochure it means you are dedicated to supporting The A World UK. Let us tell you a little bit more about The A World UK

In 2019, in the heart of Salford, a vision was born – a vision that would change the lives of countless individuals and families touched by autism. This vision was The A World UK, a non-profit organisation established by three passionate Managing Directors, each with a deeply personal connection to autism.

These visionary leaders have first-hand experience of autism, having seen the challenges faced by autistic individuals and their families, and they were determined to make a difference. Drawing from their personal experience as well as their professional experiences of working both the third sector and the corporate industry, The A World UK was founded with a clear mission: to create a safe, non-judgmental community where autistic individuals and their families could find understanding and support.

Since establishing in 2019, The A World UK has been able to offer a variety of support to over 14,400 people.

The A World UK aimed to provide opportunities that were often out of reach for many in the autistic community. Their journey began with a partnership with Little Legends, where they offered weekly football sessions tailored to the needs of autistic individuals. This marked the first step in their mission to break down barriers and provide unique experiences.

As well as establishing a partnership with Foxfield's Therapeutic Horse-Riding Centre, enabling them to offer funded therapeutic horse-riding sessions. The A World UK continued to grow, fulfilling their mission one step at a time. They acquired two caravans in Blackpool, providing families with funded holidays, a chance to create cherished memories, and a temporary escape from the challenges of everyday life.

But the journey didn't stop there. The A World UK expanded its reach and impact by exclusively hiring popular UK attractions, such as Gulliver's World Theme Park, Eureka!, Diggerland, BeWILDerwood and Blackpool Zoo. These collaborations allowed autistic individuals and families to enjoy memorable days out that would have otherwise been inaccessible.

FUNDRAISING

With your generous contributions, we aim to achieve remarkable milestones that will redefine the landscape of support for the autistic community across England.

Your donations will pave the way for unforgettable experiences, providing autistic individuals and their families the opportunity to embark on enriching and stress-free holidays.

We're dedicated to providing inclusive and welcoming environments for individuals on the autism spectrum. By reaching our fundraising goals, we can exclusively hire additional venues across England, ensuring more individuals have access to fun and safe experiences tailored to their needs.

Your FUN-d-raising efforts will put smiles on the faces of countless individuals. Whether it's a child experiencing the thrill of a new adventure or a family enjoying precious moments together, your support will bring joy to so many lives.

Every pound raised brings us closer to our goal of spreading joy and creating a more inclusive society. Together, we can turn dreams into reality and put smiles on the faces of countless individuals. Thank you for joining us in this journey of compassion, understanding, and hope.

TESTIMONIALS

ROSEY SAID ...

We had a wonderful time at Gulliver's World in March. These events are so so important to neurodiverse families, as they are quieter and inclusive. Both our children struggle with queuing and become overwhelmed with large crowds, noise etc. The day was just perfect, we barely queued for anything, with some rides that they were able to stay on and go again. It enabled us to connect as a family for the day, and met all of our needs. I wouldn't hesitate to book another day out with The A world, they are a lifeline.

LEE SAID ...

Being a family of 2 ASD and 1 ADHD children, going places was testing, you always got the judgemental stares, the comments, "control your kids". Then along came The A World and changed our lives, the events that they put on for the autistic community and fantastic, Gulliver's World, Eureka, Diggerland, Blackpool Zoo. All make it so much easier because every family at these events has a child on the spectrum, so no funny looks, no comments, just a sea of smiling faces all around, it really is amazing to see.

Thank you The A World.

WAYS TO GET INVOLVED

HOW TO FUNDRAISE

You are in complete control of your FUN-d-raising, previous FUN-d-raisers have chosen to skydive, knit little reindeers at Christmas, come together as a team and run marathons, organised raffles, whatever your idea is we would love to hear it!
