

I am going to the  
Land of Lights Festival.

You may feel.

About visiting. That is ok!  
Here is a social story to  
help you feel more  
comfortable.

This is the entrance to the Land of Lights.

Upon arrival, you will enter a building to have your tickets checked.

There are 12 magical dream worlds to explore which will be bursting with lots of colour.

The festival is on the perimeter of the theme park. You will enter the theme park; however, you will not be able to access the rides.

There will be festival food, street-eats and seasonal drinks available to purchase.

During the event you will see Harley, our friendly photographer photographing the event.

The Land of Lights will last approximately 90 minutes dependent upon your own walking pace.

We hope you have a  
fantastic time at our  
event.

The A World UK Team.
